

Geneva Gilbertson joined the Legal Department of Sierra Health Services, Inc. (NYSE: SIE) in September 1992, and is currently administrator of the law department. She assists with mergers, acquisitions, joint ventures, as well as setting up new corporations, dissolving shells, and obtaining foreign corporate qualifications. She manages existing licensing and submits applications for all new licenses (business licensing, third party administrator, utilization review, and certificates of authority). She also manages all state and federal trademark applications and renewals. She oversees bill processing and payments to outside counsel, and tender of insured matters. She is a licensed Health and Life Insurance Agent, Certified Paralegal, and System Administrator/Tracker Coordinator.
